Pinnacles Desert

Sand Dunes and Beaches - 4 Wheel Drive 1 Day Tour

From Only \$85 or \$80 with YHA/VIP discount.

The eerie Pinnacles Desert

This one day 4WD tour has it all, endless deserted beaches, rugged sand dunes, wildlife and of course the eerie and enchanting Pinnacles.

Tours to the Pinnacles include a variety of added extras including a visit to a Koala Park where there is an opportunity to see native wildlife and the chance to have your picture taken with a cuddly koala bear or test your skill at sand boarding on the massive sand dunes at Lancelin.

The Pinnacles are situated 250kms to the north of Perth. Excursions normally head along the Brand Highway to Cervantes, a small fishing village, stopping along the way to view a profusion of wildflowers in Spring. It is then on to view the haunting and mysterious expanse of the Pinnacles with ample time to wander through the limestone spires located in the Nambung National Park.

Leaving the Pinnacles behind wind your way in 4WD through sand dune tracks usually used by rock lobster fishermen. At last a deserted beach with clear water and gentle surf for a refreshing swim in summer.

There is always an opportunity to get good sightings of the elusive kangaroos and emus that inhabit the area. Most of the day tours return to Perth by early evening although there are options available for sunset tours - a truly exceptional experience.
